Original Oil, Shop of Sale and tasting of all extra virgin olive oils from Priego de Córdoba and region. We carry out individual or group tastings of all the oils of the Denomination of Origin Priego de Córdoba and others that, although not within the regulatory council, are manufactured in Priego de Córdoba or district. We give explanatory talk, if visitors wish, of the qualities of each of the olive oils we have, type of land around us, type of variety of Olives that are typical of the area and collection methods used to grow our mountain olive groves, as well as the methods of pressing and extracting the 100% natural juice of Olive. We are in Ctra. A-339, km 24, Next the Service Station the Milana de Priego de Córdoba.
