

CEMETERY

The cemetery of Nuestra Señora Del Carmen, inaugurated in 1921, It consists of several streets. Santa Ana, San Rafael, San Judas, San Joaquin, Las Angustias, Santa Maria, San Marcos and San Andres with an area of about 7,500 m2 consists of several rooms at the entrance previously used as a chapel and sacristy and now as rooms for the caretaker. With older pantheons, the tendency is to have small apartments and columbariums, a cemetery that is simple, with beautiful and well cared for gardens, good lighting, sunny and with good views.
